还不错。。。。。。。。

选择不同的译者的东西,看看从不同角度能不能对这本名著有深刻认识。

 连包装都没有,而且书面还是脏的

A powerful new translation of de Tocqueville's influential look at the origins of modern France

In this penetrating study, Alexis de Tocqueville considers the French Revolution in the context of France's history. de Tocqueville worried that although the revolutionary spirit was still alive and well, liberty was no longer its primary objective. Just as the first Republic had fallen to Napoleon and the second had succumbed to his nephew Napoleon II, he feared that all future revolutions might e
