We actually recieved the hard cover co of this book through the imagination library, a program that sends my girls a new book every month. This book quickly became my 11 month old daughters favorite book. Unfortunately, she loved it so much, she would pick it up by the pages and carry it around, tearing every page. I bought this board book as a replacement, much better for her age! Very sweet book, she is now 15 months and it is still her favorite. She has learned where her eyes, ears, nose, tummy, legs and toes are by reading this. From eyes to ears, tummy to nose, legs to toes, thereas a lot for baby to discoveraand even more for a family to love. Bright, buoyant art and a roly-poly little baby are sure to inspire plenty of giggling and grabbing and feet-in-the-air-ing. For every babyaand every parent who loves that baby to bitsahereas the perfect first book.

-----很好

一个多月才有货到手,期间同一订单有货京东也没有通知,而且买的时候也没有注明多长时间有货,失去的3分是给京东的差评服务!
