喜欢，也读过他的其他书，这本还没有读过。

书是好书。不过，京东的包装实在是不敢恭维，居然是把书弄脏了。。。。无力吐槽ing.

第一次世界大战对许多受过正规教育的欧洲人是一次震动，随之他们的幻想也破灭了。这些欧洲人曾经相信物质的进步等同于文明的发展，并相信这种物质文明已永远消弭了战争的隐患。劳伦斯向来就不赞同这种几乎遍及全球的关于物质文明的信念。他对战争的恐惧，尽管更多出于个人原因，但从政治和社会的角度看，却证实是有预见性的——他认为战争是因循守旧的开端，是对真正的不干涉主义（或自由放任主义）的进攻。这在事实上已成为二十世纪的特征。

不错

GOOOOOD!!!

D. H. Lawrence was born on September 11, 1885, in Eastwood, Nottinghamshire, England. His father was a coal miner, his mother a former lace worker and unsuccessful haberdasher. He began school just before the age of four, but respiratory illness and a weak constitution forced him to remain home intermittently. Two months before his sixteenth birthday, he went to work as a clerk in a badly ventilated factory that made medical supplies, and eventually contracted pneumonia. After a long convalescence, he got a job as a student teacher, but privately he resolved to become a poet. He began writing seriously in 1906 and entered University College, Nottingham, to earn his teacher's certificate. Two years later he started teaching elementary school full-time. He published his first poems in the English Review in 1909. When he contracted pneumonia a second time, he gave up teaching.

物流迅速，服务周到，书很好
